

## Byrd Amendment Certification Quick Instructions

**Date of Federal Register: May 26, 2026**

**Due: Monday, July 27, 2026**

Below are quick simple instructions for filing your 2026 Byrd Certification. If you filed in 2025, most information will be nearly identical from your 2025 certification form.

- Customs' preference is that you file your certification electronically online:
  1. You may file online at [Pay.Gov](https://www.pay.gov/public/form/start/8776895/). The instructions and the link to the site are found at: <https://www.pay.gov/public/form/start/8776895/>
- In the alternative, you may submit a hard copy of the certification by mail:
  1. Complete the enclosed CBP Form 7401 ("Continued Dumping and Subsidy Offset Act of 2000 Form")
  2. You only need to file ONE form for each case, but be sure to list all three AD and CVD orders (i.e., AD order on China, and AD and CVD orders on Argentina) on page 3.
  3. You do NOT need a cover letter as done a number of years ago.
  4. Mail to the following address.

U.S. Customs and Border Protection, Revenue Division  
Attn: CDSOA Team  
8899 E. 56th Street  
Indianapolis, IN 46249
  5. You might consider sending your certification via overnight courier or registered mail to ensure that Customs receives it by not later than **Monday, July 27, 2026**. Because any certification received after July 27 will be rejected, we recommend you make arrangements to ensure your certification is **RECEIVED by Customs by Monday, July 27, 2026**, not just postmarked. If it is not received by the deadline, you will not be eligible for disbursement.

This certification of Byrd money through AHPA is only available to beekeepers who have been continuous AHPA members from September 29, 2000 through 2026. If you have not been an AHPA member all those years, you should not fill out this certification form. Customs will not accept your certification form if you have not been an AHPA member for the last 26 years or listed in the Federal Register below.<sup>1</sup>
